Technical Assistance

Have you gone through your garbage lately? Few businesses do. Call us to schedule an appointment with one of our friendly and knowledgeable Recycling Coordinators who can provide on-site technical assistance to help divert more materials from your waste. We'll also answer any questions you have about hard-to-recycle items such as ink jet cartridges and packing materials, as well as reuse opportunities for a variety of items such as office supplies, furniture, and equipment.

If you’re interested in knowing what you’re throwing away, call us at (650) 595-3900 to schedule a waste audit. Because smaller garbage containers and fewer pick-ups may result in cost savings.

Compost Program

Think there isn’t anything you can compost? Think again!

Don’t send your food scraps and landscape material to the landfill; compost them instead. We encourage you to start composting at your business or facility. A successful program can help reduce garbage fees, save landfill space and close the loop by returning food scraps back to the earth. Your bottom line and the environment will benefit.

Compost collection services are offered at a REDUCED rate.

You CAN Compost:
- Food and kitchen prep scraps, spoiled and leftover food
- Food and beverage soiled paper products
- Coffee grounds and filters
- Juice or soy milk boxes with foil liner

Single-Stream Recycling

You can now place all of your recyclables into one container.

Commercial customers that subscribe to garbage collection service are entitled to Single-Stream recycling service at no additional charge.

By increasing recycling and reducing your garbage, it’s possible to lower your garbage service level, which may result in cost savings. You can also show your customers, employees or tenants that you care about your impact on the environment and increase your visibility as a community leader. That is an opportunity you can’t afford to pass up, which is why recycling is truly SMART business!
